CELEBRATE
25 YEARS OF IMPACT

IMAGINE
THE NEXT 25 YEARS

DEAR PRINCE GEORGE'S COUNTY COMMUNITY,

As I reflect on our work over the past year, I am reminded of the many milestones that we collectively achieved. It has been a phenomenal year here at the Greater Washington Community Foundation - a time of both personal and professional development, community challenges and opportunities, and organizational change and growth.

I am proud to share our FY23 Impact Report with you. The report showcases our efforts over the past year and the partnerships that have made our success possible. I want to invite you to look back with me for a moment. This year, the Prince George's County office:

- Celebrated **25 YEARS OF SERVICE!**
- Awarded grants of **\$1.7 MILLION** in FY23 to 100+ nonprofit organizations in Prince George's County for a total of \$65 million in grants since our inception in 1998.
- Relunched the **PARTNERSHIP FOR PRINCE GEORGE'S COUNTY** which brings together philanthropic leaders from throughout the region to increase philanthropic capital and address economic justice.
- Formed a **NEW PHILANTHROPIC PARTNERSHIP WITH THE MEYER FOUNDATION** with the intent to launch a two-year Guaranteed Income Pilot project. The program will provide a monthly cash payment to individuals to improve their prospects for economic mobility and overall well-being.
- Worked with **ENTERPRISE COMMUNITY PARTNERS' FAITH-BASED INITIATIVE** to support efforts to build the capacity of faith-based CDCs to lead community economic development projects in the county's most economically marginalized neighborhoods.
- Formed a **NEW PARTNERSHIP WITH PRINCE GEORGE'S COUNTY PUBLIC SCHOOLS** (PGCPS) to launch a Youth Opportunity Fund pilot program. Students from kindergarten through graduation from high school will amass a financial nest egg that offer critically needed pathways to economic mobility and can close the racial wealth gap when deployed in equitable ways.
- Engaged in conversation and collaboration with the county's faith community, over the past year, to improve the lives of residents by working together to close the racial wealth gap as part of our new **FAITH AND PHILANTHROPY PROJECT**.

A heartfelt thank you to all of our donors, partners, County Government, and corporations. Your deep commitment, generous support, and the trust you placed in The Community Foundation nearly 25 years ago has made our transformative work possible.

Together, we've accomplished a lot, but there is still so much more for us to do. As we continue to move forward, I ask you to Imagine with me all of the possibilities that the next twenty-five years can bring.

We look forward to 25 more years of partnering with you!

DARCELLE WILSON
SENIOR DIRECTOR, PRINCE GEORGE'S COUNTY
